

**Master Builders' Association**  
Of Western Pennsylvania, Inc.

## **Meet the Master Builders!**

*Meet the General Contractors that are building the region!*

Friday, March 30, 2012

8:00 a.m. to 11:00 a.m.

**Master Builders' Association Headquarters**

631 Iron City Drive

Green Tree, PA 15205

Make plans to stop by the MBA headquarters on the morning of Friday, March 30, for a meet-n-greet of the MBA. At this event you'll learn about:

- Contact information for our region's general contractors.
- Upcoming construction projects that general contractors will be bidding.
- Benefits of membership in the MBA, which include:
  - Labor Relations
  - Safety Consulting
  - Development of Future Leaders
  - Advocacy on all of Levels of Government
  - Public Relations
  - Education & Training

Additional industry associates will be present at this event to meet with you. This event is ideal for emerging and small businesses that exist in today's construction industry, especially minority and women-owned contractors. We invite all firms that are not yet members of the MBA to attend and form lasting relationships with the region's general contractors and to learn about the benefits of the MBA.

This event is an excellent opportunity for firms to expand their client base and to market their services.

To register, contact the MBA at 412.922.3912 or [info@mbawpa.org](mailto:info@mbawpa.org).
