The 2020 James Kling Fellowship Award

Presented to

Steven Bishop

The James Kling Fellowship Award was established by the AIA-MBA Joint Committee to recognize those individuals who best exemplify collaboration between the design and constructor professions. These individuals, through their action and example, provide both members of the AIA and the MBA standards of excellence to strive for in an effort to bridge the gap between both sides.

MBA Building Excellence Awards 2020

The MBA Building Excellence Awards are the highest and most sought-after commercial construction industry awards in Western Pennsylvania. Since its inception, the MBA Building Excellence Awards program has raised the standard of construction in our region. The winners receive the pinnacle of quality in the Western Pennsylvania construction industry – the awards crystal.

Highly regarded construction professionals select the winning projects in accordance with the MBA Building Excellence Awards program rules and criteria. Each project is scored in the following areas:

- Project Teamwork
- Meeting Difficult Challenges
- Client Satisfaction
- Special Characteristics
- Safety

The 2020 MBA Building Excellence Awards Judges:

William J. Bates, FAIA, NOMA

Joe Beck

George D. Ehringer, AIA

John Sebastian

Ray Vogel

The first step to winning an MBA Building Excellence Award crystal is hiring the right construction team for your project. Build with the best and select an MBA contractor for an award winning project!

PROFESSIONAL. SKILLED. COMMITTED. PROUD.

These are the hallmarks the region's union construction trades and contractors bring to the jobsite everyday. Our professional tradespeople and contractors bring the dreams and visions of our fast-growing region to life with a dedication that only those who live here, work here, and raise their families here can commit to. It is, after all, our home, our legacy.

We are also committed to providing opportunity for all who share these values and want to pursue a lifelong, lucrative and satisfying career. For more information on building with our union trades and contractors, or to explore career opportunities, please visit www.buildersguild.org where you will find direct links to our Trade Unions, Joint Apprenticeship Training Centers and Contractor Associations.
