FOR IMMEDIATE RELEASE

Finalists Named for the 2019 MBA Building Excellence Awards

*The winners will be announced at
The Construction Industry Evening of Excellence*

December 19, 2019

Pittsburgh, PA – The Master Builders' Association of Western Pennsylvania, Inc. (MBA) is pleased to announce the finalists for the 2019 MBA Building Excellence Awards. The winning projects will be revealed at The Construction Industry Evening of Excellence, which will be held on Thursday, February 27, 2020, at the Heinz Field East Club.

Presented by the MBA, The Construction Industry Evening of Excellence has become the industry's most popular event in our region. Last year, the event attracted 1,400 construction professionals for an evening of networking and honoring the MBA Building Excellence Award winners. Presented annually, the MBA Building Excellence Awards are the highest and most sought-after commercial construction industry awards in our region. This year, we received a record-setting 45 submissions. Each project's submittal was meticulously reviewed by our judges, who then toured 22 of the 45 projects submitted. After much deliberation, they have selected this year's finalists. The companies vying to take home the award crystals are listed below by category, alphabetized by contractor name.
